2021 club charity

We only had one charity nomination this year.

This year's Club Charity will be Hunts Community Cancer Network, nominated by Ali Wright.

HCCN: Working together and delivering a home based nursing service, our aim is to help people who are recovering from or living with cancer in the Hunts area to take back their lives and to play an active part in managing their health. The team is based at the Woodlands Cancer unit at Hinchingsbrooke Hospital. They see patients at home, at work, in the hospital or even somewhere neutral for a cup of coffee. HCCN doesn't just offer nursing care. We believe that the best way to help people get their lives back on track after cancer is to equip them with the skills they need in order to play a full part in managing their health now and into the future.

The AGM was closed at about 8:30pm.
